Bk Case #: 07-25642-C-7, Martin and Helen Yack

Dear Tom:

I received a message this morning on my answering machine, while I was conducting 341 meetings, which leads me to believe this undisclosed asset of the Yacks may have significant value to the chapter 7 bankruptcy estate. If true that would be contrary to what has been represented to me thus far. I am investigating this. At this time I am withdrawing my letter of 5/27/08 to you and withdrawing my consent to the proposed abandonment. As soon as I reach a final decision on this matter I will let you know. Depending on my decision it may be appropriate for you to withdraw the motion. I'll let you know as soon as possible.

Sincerely,

A handwritten signature in black ink, appearing to read 'Michael P. Dacquisto', with a long horizontal line extending to the right.
